NOTE FROM THE EDITOR

Welcome to Tweak Magazine,

The @TwistedTweakNFT community created this art magazine with the intention of sharing the unique art created by artist utilizing crypto technology to distribute, publish, and archive their work. That isn't to say we don't love all art but we realized that many have no idea where to begin looking amidst the general noise of social media.

We tweaks have been proud to continue sharing the wonderful art being created by artists from all blockchains and are working to find new ways to present the works to those outside of our ecosystem. If that is you then welcome to our zany and expressive world 😊

Thank you for supporting the arts in whatever fashion you do.

-Chumwizards

P.S. Not all art presented is a static image. Artwork titles with an asterisk * are best viewed using the link to the work to get the full experience

10 Looking Back

EVERY JOURNEY BEGINS ALONE. NO JOURNEY ENDS THAT WAY.

ISOLATED is an exploration of self discovery through solitude and the power of connection. It is an exhibition that unfolds over time, where collecting becomes part of the artwork itself.

ABOUT THE EXHIBITION

We often associate Isolation with absence, but for me it became a place of discovery.
ISOLATED was never meant to exist. It came together naturally, and I only realized I was building a collection near the end of the process.
Looking back, I noticed that each artwork wasn't connected by the solitary figure, but by the story they were telling.
We often see solitude as something to escape,when in reality it's something to understand.
Every chapter represents a different stage of that journey from uncertainty and isolation to acceptance and growth.

Through this collection, I invite others to experience or relate to those feelings. I know many artists have gone through them, or are living through them right now.

ISOLATED isn't meant to resonate with everyone, and that's okay.
But at its core, this collection exists to bring people together.
Without the people who choose to take part, it will never be complete.

THE THREE STAGES

01.

THE CHAPTERS

Ten Narrative 1/1 artworks that tell the story of ISOLATED

02.

THE EVOLUTION

The community comes together.Each piece evolves through collective participation and shared energy.Without the community, story cannot reach its final form.
